

## Patient Registration - Print

1. Please make sure your printer is turned on and has enough paper (see below).
2. The Patient Registration Forms work best in a recent version of Adobe Acrobat Reader. To download a free copy, click on the icon below...

3. Select an appropriate option shown below and then click on the "Print" at top  
(NOTE: There will be a brief delay before printing starts. Clicking on the "Print" button again will print the forms again.)
